PURPOSE: **The Cockatiel Foundation, Inc. is a nonprofit corporation established for the advancement of the cockatiel, *Nymphicus hollandicus,* as a companion, aviary and exhibition species; to provide resources to the community and for educating members on companion bird care, improved breeding practices, the study of color mutations, genetics, and show standards that promote the health, fertility and longevity of the cockatiel. The Foundation supports a national adoption/placement program, youth education, closed banding and record keeping, veterinary and avicultural research, legislative awareness as it pertains to cockatiels, consistency and fairness in exhibition and judging, a national show, annual affiliation with the American Federation of Aviculture, Inc., and to encourage ethical conduct and constructive interactions between its members and other aviculturists. CF is inclusive of all aspects of cockatiel culture, from the hobbyist breeder and first time cockatiel owner to the professional aviculturist and advanced exhibitor.**

The Mission of the Cockatiel Foundation, Inc. is to provide resources to the cockatiel community, promote education, fairness in exhibition and good fellowship among all cockatiel enthusiasts!
